FIG. 27 is a top view of a circular device, such as a disk or a wheel, showing a central hub and a series of radial spokes. The device is divided into eight equal segments by the spokes. The outer edge of the device is marked with a series of small circles, and the inner edge is marked with a series of small dots. The device is labeled with the number 202 in the center and 223 at the bottom.

FIG. 27

A hand-drawn diagram of a roof structure. It shows a long, low roof with a central ridge. On the right side, there is a chimney. The roof is supported by several vertical rafters. A curved arrow points to the ridge line. Dashed lines indicate the internal structure and the path of the roof slope.
